LIST OF SUBCONTRACTORS

In compliance with the provisions of Section 103D of the Hawaii Revised Statutes, the bidder shall include in his bid the names of each and every person or firm to be engaged by the bidder as a joint contractor or subcontractor in performance of the construction contract. The bidder shall also indicate the license number and the nature and scope of work to be performed by such joint contractor or subcontractor.

Use the table below to list all joint contractors and subcontractors, the nature and scope of work, and the Hawaii State Contractor license number. Failure to fully complete this list may result in the bid being deemed incomplete. Should the license of each and every listed contractor and subcontractor not be current, active, and valid, at the time of bid opening (as described in the Instructions To Bidders, Award of Contract), the bid will be rejected.
